**There will be no field clock.** So that your band will not have to stand on the field waiting for your actual performance to start, we ask that each band wait just off the field until announced to enter the field. You may move to the field sideline to set up for your performance as the previous band is exiting the field. On-field warm-up is optional and will not be a part of your on-field performance time. You have 25 minutes for warm-up. You do not have to use the entire time. It takes approximately 10-12 minutes to move a band to the performance area.
